

STANDOFFS FOR SHOWCASE & SIGNAGE

Standoff Sign System

Give us the size & copy and we'll produce your standoff sign at a great price...

- 1/4" or 1/8" clear, non-glare or frosted p95 acrylic with finished edges.
- You can also place a photo between two sheets of non-glare acrylic.

AVAILABLE FINISHES:

Polished Chrome
Matte Chrome
Brushed Brass
Black Nickel
Brushed Stainless Steel
Polished Stainless Steel

HARDWARE: (included with each standoff*)

LENGTH:

Length dimension *does not* include cap.

HOW TO USE:

1. Unscrew mounting plate from back of standoff.

2. Use screw enclosed to mount to surface. Be sure to anchor properly, if necessary.

3. Remove cap & washers.

4. Screw standoff body back onto mounting plate & place 1 washer over screw.

5. Place the pre-drilled sign or glass over the standoff. Adjust screw if necessary.

6. Place second washer over screw, then screw on cap. Be sure cap is secure.

NOTE: The end user is responsible for physically testing layout & design.
