

# A Better Way to Plan Your Bank's Marketing Space

LMDdisplays.com

## Graphic PLANOGRAMS:

PLANOGRAMS will give you a complete visual blueprint of your branches – whether new, renovated, or existing. We create a detailed overhead floor-plan, graphically displaying all furniture, marketing and legal display fixtures, bulletin boards, poster frames, and more. Exterior elements such as promotional signage, banners, and window graphics are also included for a full inside-out view of the branch environment.
